7487 Fourth Section Road — Town of Sweden, NY

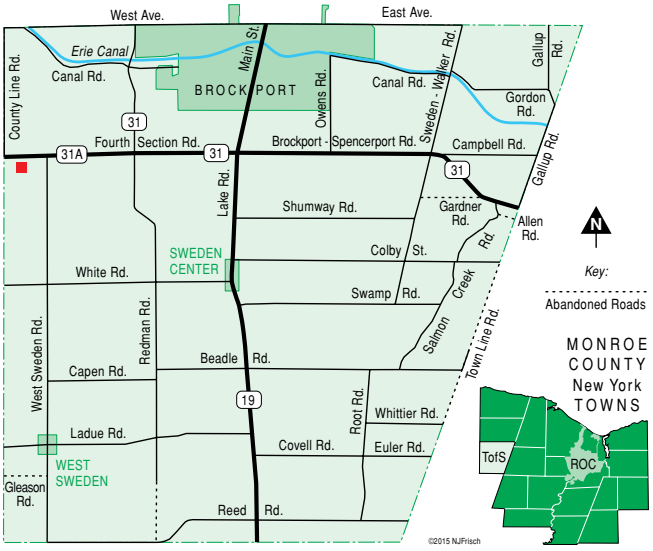

The Golden View Ranch is the partnership of **Greg Stahl** and his daughter **Chelsea Stahl**. As of 2014 it boasts the newest barn in the town of Sweden.

Mowed fields and a crisp white fence surround this 260'x 80' metal pole barn built by Burkholder Brothers of Dundee, New York. When completed it will house stables and a riding arena.

Chelsea will be the barn manager and develop a business for training and bordering horses. There are also plans for riding lessons and the establishment of trails for horseback riding throughout the forty five acres.
