The Brockport Community Museum

Mission

The Brockport Community Museum is a "Museum Without Walls" that brings local history into the community. It was chartered by the New York State Education Department in 2002.

Vision

– Make local history accessible to the community at no cost.
– Develop awareness of community needs.
– Enable on-going resident participation.
– Find and preserve historic materials before lost.
– Support other local history repositories.
– Increase our visibility to the community.
