Steven F. Buckley

Librarian
Library
(1970-1995)

U. S. Army
Intelligence
1960-1963

Steve had a “rough” Army experience. First he fought for a year in Monterey, California (Studying Russian) and then served for two years in West Germany. His final posting was at a small base near the East German border where he spent considerable time scouting the terrain in the GFR in his 1962 VW Beetle. He returned unscarred.
