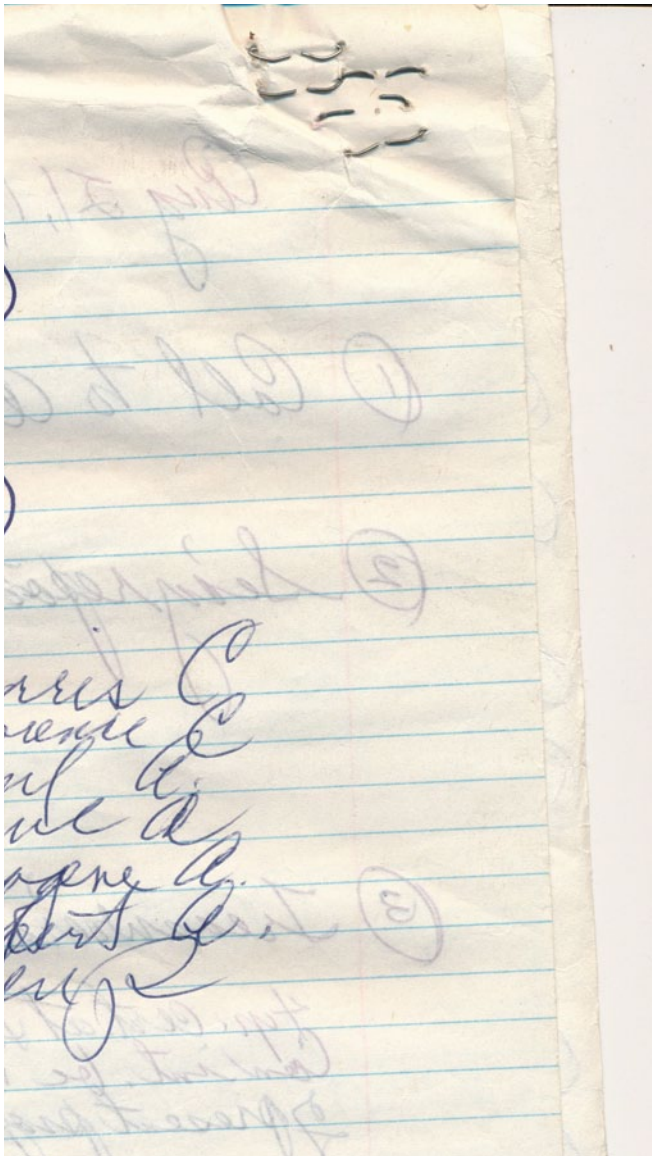

Fig. 10. Enlarged view of upper right corner of figure 2, showing multiple staples. Each year's minutes were added to the top of the previous year's minutes. These staples were removed for scanning, then added back afterwards.

PROVENANCE

These minutes came to Christine (Anheier) Hunt via her mother Roberta Anheier, a close friend of Elizabeth "Betty" Cook. Betty and her husband Marshall served on the West Sweden Cemetery board. Christine passed it on to the Town of Sweden Highway Department sometime after the early 2000s when the Town assumed responsibility for other cemeteries within the Town. It was borrowed from the Highway Department by Norm Frisch for purposes of scanning 2015.07.09, and returned to them 2015.07.13

IMAGE NOTES

All minutes were original and handwritten in dark blue pen on white paper. They were all stapled together, rolled up and rubber banded. The 1880? Check List (see separate document) was also rolled up with them, but not stapled to them). No minutes prior to 1980 or after 1988, nor for the years: 1982, 1983 and 1984 accompanied.
